Mrs. Natalia Kotsyriy
Head
Territorial Department of the State
Judicial Administration of Ukraine in Volyn Region

Dear Mrs. Kotsyriy,

It is a great honour and privilege for me to inform you of the successful completion of the 169th International Training Course on "Criminal Justice Practices against Illicit Drug Trafficking" in which Mr. Ihor Vitaliyovych YASELSKYI from your office participated and made constructive contributions. Enclosed, please find the tentative version of UNAFEI Newsletter No. 156, which will provide you with information on what was achieved during the Course.

Mr. Yaselskyi actively participated in all of the programmes and played a leading role. In the Individual Presentation Session, he delivered a very informative presentation entitled "Controlled Delivery and the Fight against Illicit Drug Trafficking in Ukraine". It related closely to the main theme of the Course according to the current situation in Ukraine, and attracted the attention and interest of the audience because of its outstanding quality with a careful examination of the relevant issues. He was also well-prepared for the presentation, and contributed significantly to the various discussions throughout the Course. For the Group Workshop Session, he was selected by his peers to be Co-Chairperson and carried out the function effectively.

Availing myself of this opportunity, I would like to express my deep appreciation and gratitude for his outstanding contribution to the success of the Course. I hope that in the future you will continue to extend your cooperation to the activities of my Institute by sending participants of the same high calibre as Mr. Yaselskyi.

We look forward to maintaining our relationship with your agency, and please do not hesitate to provide us with guidance on improving our programmes so that we can better meet your needs.

Yours sincerely,

Keisuke Senta
